1. Lay out a large double sheet of newspaper. If you're using wrapping paper, cut out a large rectangle that is at least double the width of your head.
2. Fold the paper in half vertically.
3. Fold the paper in half horizontally.
4. With the horizontal fold at the top, fold the top right corner of the paper down towards you and the center line of the rectangle. Repeat this with the top left corner.
5. Fold the bottom rectangular flap up towards the point of the triangle. Flip the hat over and repeat on the other side.
6. Secure your folds with sticky tape and decorate your hat however you like best!
